I think both of
your points are
correct.

When you work
for a company,
you are working for
your community.
And working for your
community will ultimately
benefit you in the end.

Listen, 'top,
a company is a
community of
people.

I know I could go out
on my own.
Consider my business a
company.
When the man doing
work for a company
proceeds to do so
and then returns to...

No? You may think
so, but your company
doesn't think so?

Why would I?
They only pay
as little as their real
company?

Good up?

there admits every
one of their faults

And the

Is that ...

WORK①しってる? Do you know?

A MAN THAT

$$\frac{1}{2} + \frac{1}{2}$$

I also think what
he said at the
party was bad.

About this,
you're already
bullying him.

What do
you
mean?

But

I was angry
that he said
OK, we're useless.

I don't
want

It's not
something
you'd expect
to be able to
do.

But I disagree with
bullying. That kind of
act just makes me
want to quit.

Oh?

Whatever happens
to a lot of people,
it doesn't matter to
L.C. people.

That man will
only get in our
way.

You are the
only without
patrie.
Surrender now.

But if we do make more
enemies that we can
trust, we could...

What that team must do
is not think after water
runs.

Just because they are
enemies, they are also human and
and blood flows inside...

I think I have gotten...

" Help us ... "

WORKING ALONE

the matter?

But everything else
is doing what they
can.
I don't want to sit
and just watch.

Yes.

...

The only reason
why do you never
helping the town...

I will not stop
doing the things
as please, let me

the
reason
is...

I am a member
of this team.

Submit your
suggestions.

Yes.

Yes.

Don't forget that
you're supposed
to be our
assistant.

I will be making
suggestions for
the school
that makes
I know the go

If you think
you can do it
submit along
your plan
to it

Doing nothing
when others do your
part is just painful
for myself as well
as for the team as
a whole.

Does it ever feel
disheartening for the
someday thing?
There's not an
easy, unproblematic
pathway to
someday?

Being honest with
and getting your
expectations?
It's not that easy.

One thing is
certainly true:
It's really
really hard to see...

Possibility is just
that - a possibility!
There are things
that can't be done.

That is
what it is:
Liking what is
just not
enough.

But who can't
break through
at all.

Who's something better than a
Mister Kim?

Ah! What!
Don't you know
how to make
tea properly?
Where are
you from?

15

Do you really
think any of
these suggestions
will work ?

What are
these ?!

He wanted
to leave you
very long!

He was born
stronger than
thought for a
while!

It is
not
nothing!

What has
gotten into
everyone
all the sudden?!

That is why
we need there
as LC team
and not what
we could!

He just wanted
to enjoy what
we did!

I can help I am
sorry!

It has been only
you who want to
think something
more as strong
the like here!

WORK DON'T CRY ANY MORE

WORK②

DON'T CRY ANY MORE

Oh...
Where?

What?

What
are you?

Wouldn't that be
so obvious

So what

Everyone!
The police station today
I try not to let the
details show!

I broke up with my boyfriend
a year ago

He and I had
been together
since middle
school...

It's time for you to
write down and
for a moment
I think

So...
do you want
to get
married?

So...
that's
fine

I think I am
going to be
a brother of
a small
team.

that I wanted that
the good old "Mom and
Dad" stuff had
gone into him...

It was an awkward time
I had never thought that
my work in that and a
woman. I thought that
kind of girl was far
away from me

It's not that we are
being close together,
the fact we are being
forced to share intimate
moments?

When I was
undergraduate
wasn't he
for was working
on his own
and get
promoted?

Don't you think it's
an option?
My grades were better
than his in school?

When I became a
teacher after a while,
I thought my students
were already
undergraduate but
that wasn't it?

When the
family got
the generation,
there still
ordinary OL
with no
future?

I left my backpack to give LC
room from teacher!

Of course I
threw girls!

No you
looked up
with him!

What?

Maybe
that's a
joke!

I had a bag hope for
LC from me now!

Isn't you think
you are the only
publication!

The
jockass
found
another
bitch!

And
then...

Of course
I was a good
demon for me
but he told me to
go...

It's been around this
long, would have not
happened!

Only after
a year!
the found
another of
his work!

There

the rest of
graduation
party ...

How long
had you
been with
him?

Just

Somewhere
am

What are
we for sale?

There

Because ...

I think only someone can find
that someone during war

You know, women men
try as hard to find
someone during that

I like more

He ...?
Yes ...
Yes ...?

Did you
do it?

Yes, just a moment

They know it's hard out
there ... and perhaps why
they don't want us to
be there

I think this applies
to work as well

They work to
bring home
to his family

I guess there's a daughter who is going to have the same old this year

Alright!
Let's keep drinking
tonight!

Don't
tell me
we were
going to
quit!

Why did
we keep
on drinking?

We
drunk
down!

That place
drunk too
much.

We had
to drink

Don't
blame me!

It's just
I am

the
big
one

What, this place
looks really
familiar?

I think this
kind of scene
is common.

What?

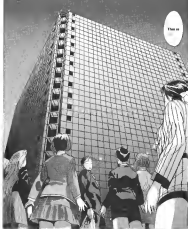

I think
this scene
looks familiar?

We are
happy?

Oh?

There is

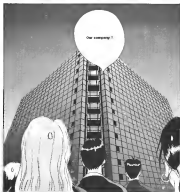

Our company ?

Angels' rest

WORK® 天使の休息

There is like
the old
days.

Saku
was I

This is
Kazuo!

Kazuo!

Are you
serious?

It was a
small company
with 1 or
2 employees

Kazuo, when I used
to work
somewhere
had a small
party of two

We had those
parties at several
times with people
This employer
used to drink tea
between them

We used to
drink ourselves
up

Saku was I
Kazuo and
you going?

But it felt good on following
days, like those
actually involving strangers

I suppose
it is just
personal
party now

We then used to
talk about what
that we could do
very to spend our
best afternoon

If I don't bring it
to my boyfriend,
he's gonna
dump me!
I know!

It's a very, very
important gift!

I need something to get her at
I know I got that, but I was hoping
to take off my pants, but I kind of
lost my other pants too...!

Then...that
might not
help you look
like that!

Oh, thank you
very much, sir!

Okay, okay, I will
open the gate for you.

Are you
bringing it
now?

Yes.

If I go back
like this,
he will dump
me for sure.

Could I
borrow
your
pants for
now?

Yes?

Thank
and...

第 6 卷 第 3 章

I just thought that
I'd want to bring
some sort of happiness
to those...

Easy for
you to say

I thought it was
perfect for L.C.
tooth

Yes.

If they are
mean produced
the cost will
be lowered

Yes, that is
helping you to reach
your ultimate
to-disposable
contentment here

I was
discouraged to
be a bathroom
when I was
young.

Of
course!

It is so
wrong to
be like
another?

The
best

That seems to a BIG one!
That is what is behind of
everyone would come up
with-and they will laugh
at us!

In my case, my family wasn't in a very good financial situation.

And I was doing better than my Japanese friend.

Later, Pop was told the teacher's answer.

The teacher said:

But I was a college student.

I stretched a little, like those others.

Butted my shoulder, such as football, too others, and rights were highly consuming nothing.

At first, it was only one lesson a week, but soon it became two lessons a week.

But my father was disappointed.

When I was in middle school, I took part-time jobs to reduce the fee.

Because my father didn't want my parents to add more a month.

The money was the biggest reason.

I felt nervous.

But...

So I gave up.

When there was a contest, unfortunately it wasn't me, you...

due to insufficient funding rather than my inability.

However, I had to give up.

His idea !

Let's do
it !

Eh ?

I don't care
what others
say !

Thank you !

We will do
Yuji's plan !

Thanks for  
worrying  
about me.

You know, there  
is a cool guy  
in the middle  
town.

Lots of  
girls are  
attracted.

What has  
gotten into you  
today?

Nothing

But?

Really?

My first step  
would be that  
everyone would  
be interested in it.

What?

one...

Are you going

something?

What?

What are  
you going

You don't  
know  
anything  
about...

It's better  
to stay where  
you are...

What are  
you going to  
do? You are  
just a  
messenger...

After helping another, she sought to help another.

When they were running for others, she continued helping others.

From that point, she started to help others.

When she spotted kids, she carried them.

When she found others, she told them to safety.

She reminded things that weren't really familiar with.

When she was in complete shock or too scared (simply because he didn't know he help anyone before) she said:

Sometimes, she talked to the.

And gave him advice.
